Students in seventh and eighth grade are asked to write an essay in 250 words or less on the following topic:

"With the worst of it behind us, the world continues to adjust to a new normal in the aftermath of the Covid-19 pandemic. There have been many adjustments in the ways we work, the way we learn and the way we socialize as a result. Please discuss the changes in your own life that have become part of YOUR new normal...things you do differently now from the way you did them before Covid."
