Accounts for Minors

We may require any account established by a minor to be a joint account with an owner (or sponsoring HUECU member residing at the same address) who has reached the age of majority under Massachusetts law and who shall be jointly and severally liable to us for any returned item, overdraft, or unpaid charges or amounts on such account. We may pay funds directly to the minor without regard to his or her minority. We have no duty to inquire about the use or purpose of any transaction. We will not change the account status when the minor reaches the age of majority unless the change is authorized in writing by all account owners.
